Email Address:	ivan.graff@hq.doe.gov	Phone No:	202-586-8120	DOE	X
Man Hours to Implement:		HQ Program Ofc:	MA-65	Contractor	
Proposed Change:	Allow the collection of Grounds operations costs only for all land ownership types which will include Institutional Control and Contractor License. The remaining operation cost fields will be disabled.				
Justification:	The Senior Real Property Officer (SRPO) memorandum titled "FY 2014 Real Property Data Related to Operations and Maintenance Guidance" requests operations costs on land parcels of any ownership type. The only operations cost relevant to land parcels is "grounds." Sites may currently enter operations costs on land parcels of any ownership type except for "Institutional Control" and "Contractor License."
